## Our Recent Accomplishments

The Friends of the North Grenville Library have provided financial support towards the purchase of additional electronic devices.

“Adopt a Book” events have been held. Patrons and local businesses were encouraged to pluck a leaf inscribed with a French language or children’s classic title from a Wish Tree and “adopt” that book by donating the item’s cost.

Financial support was given to expand the large print collection.

Fundraised by hosting an *Evening at the Library* with entertainment, and a silent auction.
